

## Authorized Emission Specialists

### Other Areas

#### Gasoline

**Important Notice:** This list shows repair facilities with approved emissions testing equipment and at least one Ecology Authorized Emission Specialist as of **7/2/2003**. Please be aware that some technicians at a repair facility may not be Authorized Emission Specialists. Also, staff turnover may occur at any repair facility. **Always** request that your vehicle's emission repairs be performed by a Department of Ecology Authorized Gasoline and Diesel Emission Specialist. You may request to see the Specialist's certificate. Note: Shops with an asterisk (\*) in front of the shop name have not indicated that they will be repairing OBDII failures.
